What a year! A year that has certainly seen massive impacts on all of us - some more than others, as we, like so many Victorians are stuck in lockdown! Believe me, there are many 1000's of us wanting to travel and are not able to. Our time here! We certainly don't want to be in this position any longer than needed. Hopefully when we get the chance to travel our Victorians and other Aussies will get out there and support our parks, the towns and the communities in [Victoria](#). May I say, that includes all those impacted by the Victorian lockdown in NSW and SA. We can certainly benefit from heaps of support! The weather will get better, so plan to get away before Christmas and after the holidays!

Many thanks to all our friends, followers and members that have supported Kui Parks up north, in those warmer climates. We have been blown away by the support shown, and the 1000's that have renewed and joined Kui Parks. Interestingly we have seen many folk also decide to travel a bit slower this year and stay and enjoy their stops for longer.

Folks, lets stay friendly, compassionate and caring out there! It's been really disturbing to hear of some of the abuse some Victorians and NSW folk have copped in the last few months, especially those travelling up north. No one is up north without having been away from the hotspots for a long time now. So let's keep the good old Aussie spirit alive and be welcoming and supporting of one another!

## Welcoming a new Kui Park

We are excited to welcome a new park to the Kui Parks Network. Just off the Hume highway, 24km north of Gundagai, NSW is Coolac Cabins & Camping, Kui Parks' newest park. Your friendly hosts are Louise and Myles Sullivan. Located on a beautiful farm property, stop, unwind and relax. Book ahead as sites are limited!

## More New Parks in Kui Parks

Last month we also welcomed Kerang Caravan & Tourist Park as well as Charlton Travellers Rest Caravan Park, in Victoria. Pencil those in to get to when we can enjoy the freedom to do so too. For more on our excellent parks visit [kuijumps.com.au](http://kuijumps.com.au).

## Parks impacted by lockdown!

Let us not forget the many communities, businesses and parks that have been impacted by the Victoria lockdown but located in NSW and SA. Please consider these in your travels as they would love to have you visit and support them as well.

A huge thank you to all those who have continued renewing their Memberships with Kui Parks during these uncertain times. Thank you for helping us keep supporting you and our parks. We have seen a significant drop off in renewals in Victoria due to the lockdown, however the travel freedom in other states has been a great help. Thank you for continuing as members. We have been especially encouraged by many who have renewed after having their memberships lapse. Sign of the times, as we see many folk now focus on enjoying our amazing country, due to the loss of international travel. We are offering all renewals and new members an additional 3 months membership, extending memberships to 27 months

Remember that your \$1.30 a month can save you \$100's in discounts when staying at Kui Parks! If you are able to continue with your membership, we would be most grateful. Like many businesses at present these are tough times so your support is most welcome!
