

Exploring Australia!

In This Nomad News

2021 is certainly going to be a 'new dawn' in travel around Australia. After a year of lockdowns, border closures, restrictions, panic and fear, it will be so good to get out and enjoy this amazing country of ours.

We look forward to your visit at a Kui Park around Australia. There is so much to look forward to, so get ready, be prepared, get planning and head off for a safe enjoyable and relaxing trip.

Travel in 2021 is going to be very different. We will enjoy many new Caravanners on the road, and based on sales, we believe it will get very busy. So Kui Parks has come up with some simple steps to make your journey even more pleasurable. So here are our 4P's:

PLAN

All indications point to the fact that this year the nomad migration will be longer and busier than ever before. Many have already hit the road. Needless to say, we expect that there will be a high demand for caravan park sites. So plan ahead, book ahead and ensure you are able to get in. If all powered sites are full, take an unpowered site. You can still use the facilities including water.

PREPARE

Always be prepared on your trip. Personal experience has shown that being prepared will always save the day. Enough food, Extra drinkable water, empty toilet cassette and full water tanks (especially in outback areas where water can be scarce) will always ensure you can look after yourself if you get stuck or cannot access a caravan park.

PATIENT

It's going to be busy and the roads and towns will be full. Leave the city impatience behind and get out and enjoy things at a slower pace. Stop for the day earlier if you can. Take regular breaks. Stay longer if you wish. Be considerate of trucks and caravans and chill. It's the best way to ensure you have a great trip! If you see a fellow traveller stuck. Stop and help, if you are able. Above all stay safe!

PLEASURE

That's what it's all about. Enjoy the experience, enjoy the sights, sounds, sunsets and social interaction. Get to know fellow travellers. We are all in this together. If you are new to this great adventure, have a chat with others, you will be surprised how friendly and supportive everyone is. Stop regularly and take in the sights. Take heaps of photos - a great way to relive the adventure when you get back home.

Kui Parks is very pleased to welcome our newest park to Kui Parks. Located on the beautiful New England Highway in the Upper Hunter region, the Country Road Caravan Park in Uralia NSW is under new ownership. Dan Betteridge, your host and he has made major improvements to this park, tailoring the experience to our travelling nomads. Be sure you stop off and visit with Dan at Uralia on your journey. Take the journey less travelled and head up the New England Highway.
