Wongan Hills Caravan Park, Wongan Hills, WA

## In This Nomad News

With all the doom and gloom happening around us, it's an opportune time to be reminded about the beauty around us. In particular with spring around the corner, experiencing the wild flowers in WA has to be a highlight.

Located less than 200km from Perth this region has so much to offer. We hope you get a chance to get out and enjoy the stunning varieties and colours that nature presents.

Wongan Hills Caravan Park, in Wongan Hills is a great spot to base yourself for this colourful season. We hope you get a chance to enjoy.

What a tumultuous time for many in Australia at this time. For some the enjoyment of a travelling holiday has turned into nightmare, trying to find the best way home. For others travelling has not changed much. Either way, we have certainly had a dose of it all! With the increased vaccinations, I am certain things will get back to normality. Let's keep the glass half full and keep smiling!!

There are many of our members that have chosen different routes to make the journey south, or decided to just stay and hope for improvements in the Covid situation. Whatever you do, stay safe, drive safe and try and still enjoy your (unusual) freedom!

We know from our many travellers and parks in the northern parts of the country, that it's been a very busy time. We hope that in spite of the challenges, you have had a chance to enjoy our amazing country.

**Please spare a thought for all those in lockdown and especially the many parks and businesses suffering through these tough times. Please be sure to support them when you can.**

For many, Camps Australia Wide is best known for the excellent Camps Australia Books that have been around forever. Did you know that CAW is now also available in an APP. Kui Parks is a proud supporter of CAW, through our promotion in CAW Camps Book and the upcoming Parks Book, arriving later this year.

All Kui Parks are identifiable with a Kui logo in the Parks that are found in the APP.
