Kui Parks Vouchers Extension

If you have a Kui Parks Voucher in your possession, Kui Parks will extend the current expiry date that is on your voucher and will **automatically recognise the vouchers for up to 6 months AFTER the expiry date** on your voucher.

All parks have been informed of this change. We hope you get the opportunity to enjoy your voucher at a Kui Park soon!

Frequent Stayer Program

The **Kui Parks Frequent Stayer Program** is designed to reward our loyal customers with the opportunity of winning accommodation vouchers for their support of Kui Parks. In the last few years we have given away more than \$13000 to our loyal customers. We are pleased to expand this program due to its huge success amongst many of our members.

MORE WINNERS!

We are excited about continuing this very popular initiative, with some important changes. **We have increased the prize pool from \$300 to \$400 each month, and the number of potential winners from 3 a month to 8**. Now you have more chance to be a winner in the monthly draw.

All you need to do is ensure that you get your card punched for every night you stay in a Kui Park. Upon completion of the card, kindly email images of both sides of the card to info@kuiparks.com.au so you can enter the draw for that month. You may also leave the card at one of our member parks, who will then forward it on to us. Be sure to enter your name, email, mobile and Kui membership on the card before submitting it.

You will then go into the monthly draw to win one of 8 x \$50 **Kui parks vouchers** which you will be able to redeem at any Kui Park. **You have to be in it to win it**.

The original cards had 6 punch holes - 1 per stay. **Effective immediately you will be able to use this card for night stays not just park stays**. If you stay at one Kui park for 3 nights you will be able to receive 3 punches for your stay. Until the 6 stay cards are used up you have in fact received a bonus of 4 free nights as the new Frequent Stayer Cards will record 10 nights.

Due to the Covid-19 pandemic we will have no draws for April and May, but will start our monthly draw again at the end of June 2020

I am looking forward to seeing you on the road!

Keep your distance between your rigs and each other!

Safe travels & take care.

Kind regards
